WATERFALL

FEELING SICK - WHAT SHOULD I DO?

In collaboration with Netcare 911, a specific disaster emergency centre has been set-up for the pandemic. All stakeholders from the Waterfall precinct are encouraged to contact Netcare 911 should you have any questions, emergencies or if you are showing symptoms of COVID-19.

1. Call Waterfall Netcare 911 on

010 209 83 52

Qualified consultants are available to answer your questions. If you are displaying symptoms, an assessment will be made regarding the best approach.

2.

Mild symptoms

Patient to stay at home and practice self-isolation.

3.

Severe symptoms

Communicate telephonically with your doctor, or if unable to do so an ambulance will be used to transport you to an isolation and testing centre.

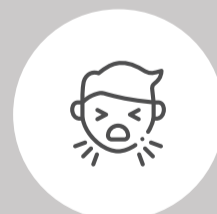

WHAT ARE COMMON SYMPTOMS?

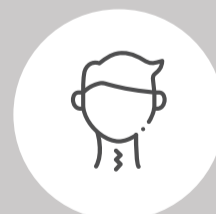

Fever

Tiredness

Dry cough

Sore throat

Diarrhoea

Aches & pains

Nasal congestion

Runny nose

For any queries, please contact 010 209 8352.
An Attacq managed property. We care.
